

## TACOS

Each week we will feature several tacos. A majority will be Mexican Street Taco Style. This means small [4"] corn tortillas with a particular filling, topped with cilantro, pickled veg, and queso fresco. We'll serve lime and salsa on the side. We will also serve one or more fusion tacos – fillings and accompaniments that have nothing to do with Mexico. Enjoy a taco as a snack with a drink! Have them as an appetizer. Make a meal out of them with 4 or 5. Enjoy them however you like.
