

# SHIRE RISING

On Monday, June 19, a fire ravaged the Shire Pub in Delhi. Fortunately, the structure is intact. While the rebuild is taking place, please enjoy a drink or bite to eat with some of the Shire's staff here at the Quarter Moon. Our pub menu combines some Shire favorites and some Quarter Moon favorites. A portion of all Shire Burgers and Ommegang drafts sold will be donated to a fund to help staff members from the Shire get back on their feet.
